

# Caught in the Web!

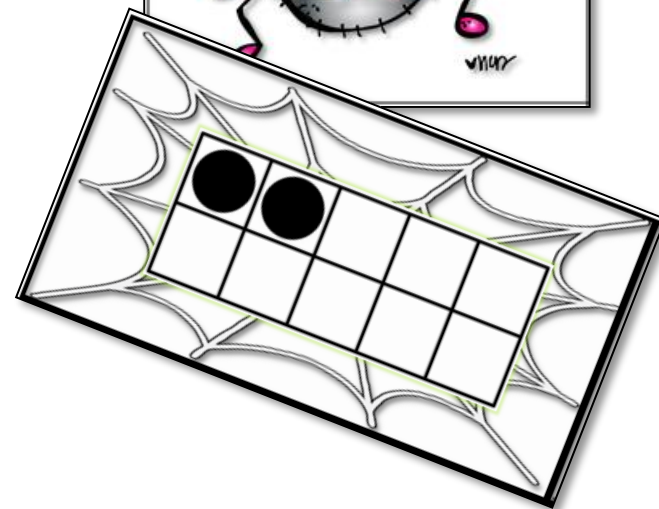

By Deedee Wills

I hope you enjoy this little Freebie!

Word cards: Place them around the room. Students will hunt around the room for these cards and write them on the response page.

Students play memory match

# Counting Spider Eggs

Count the eggs in the web

Name: \_\_\_\_\_

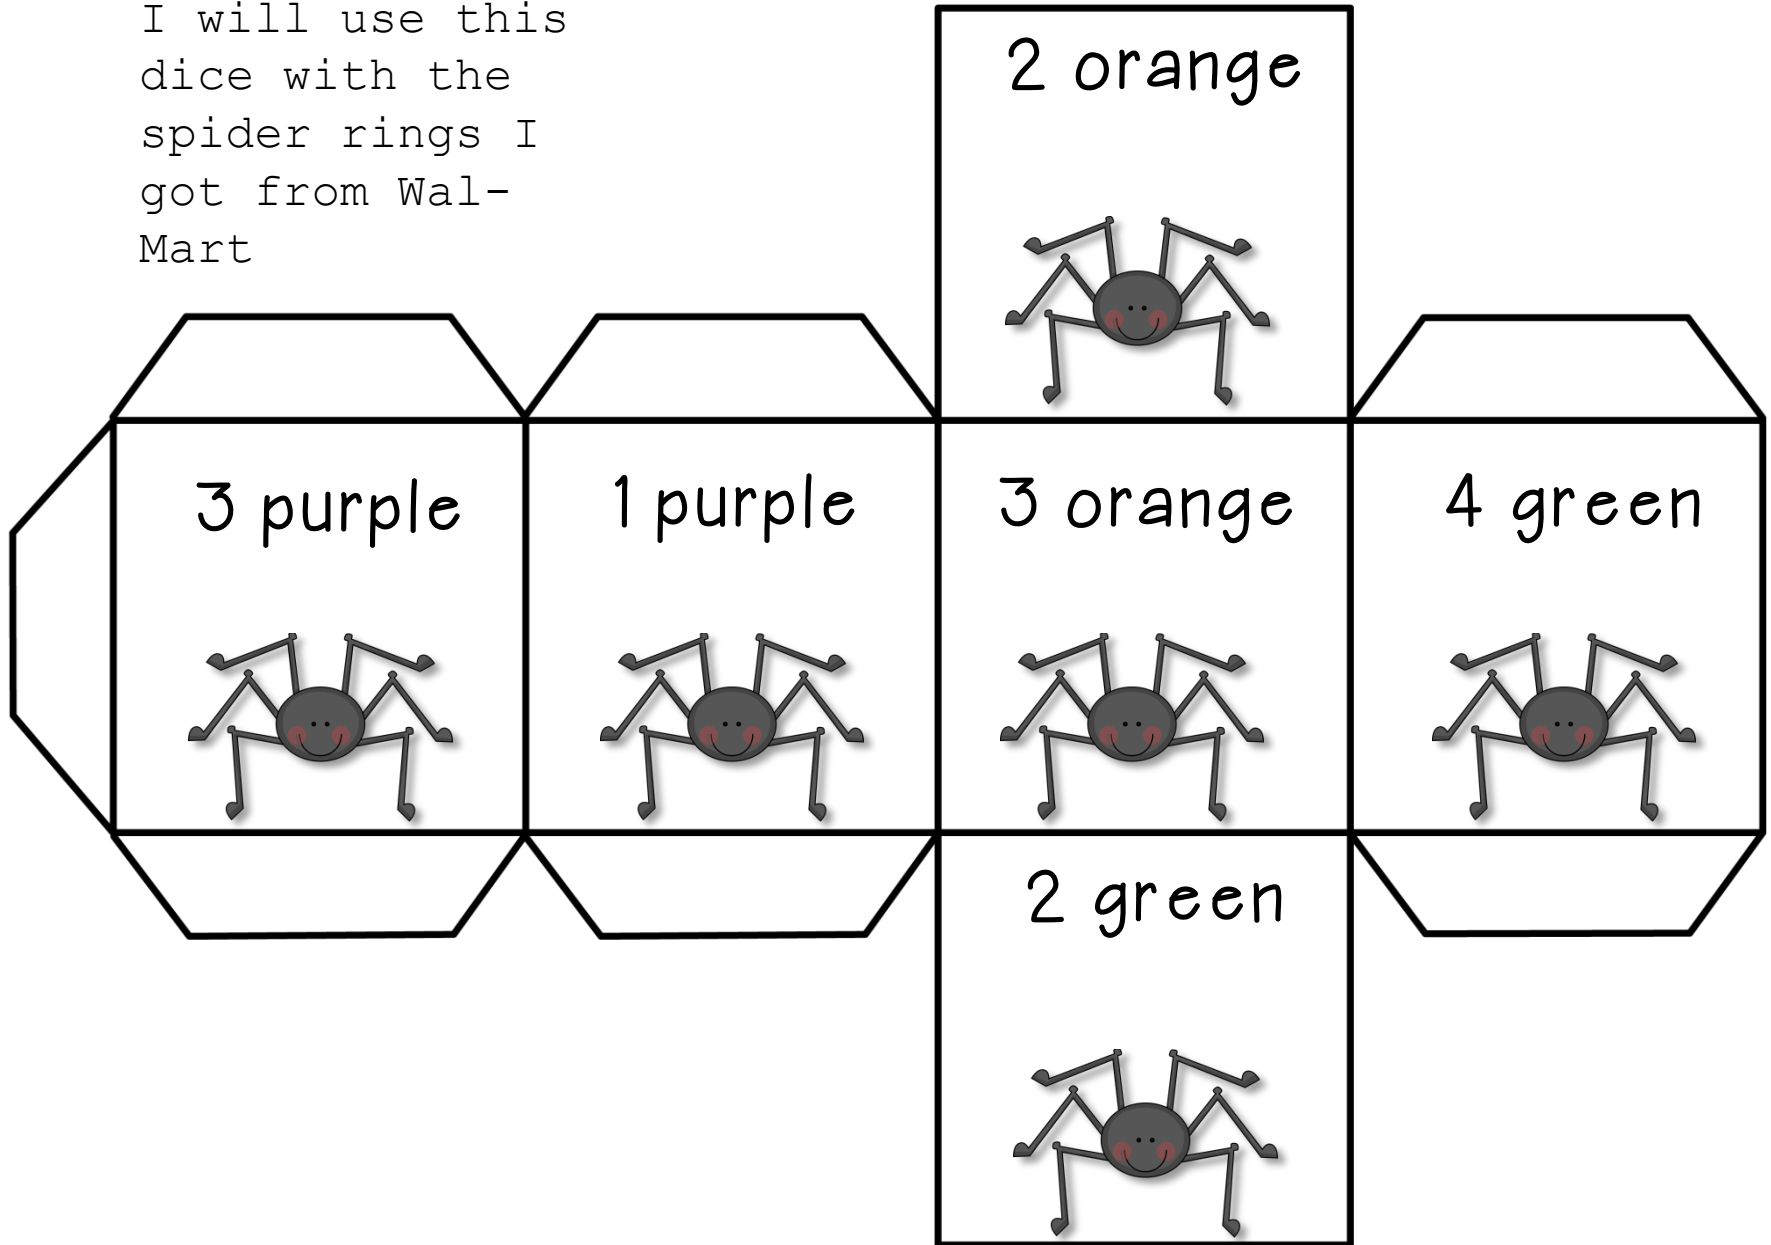

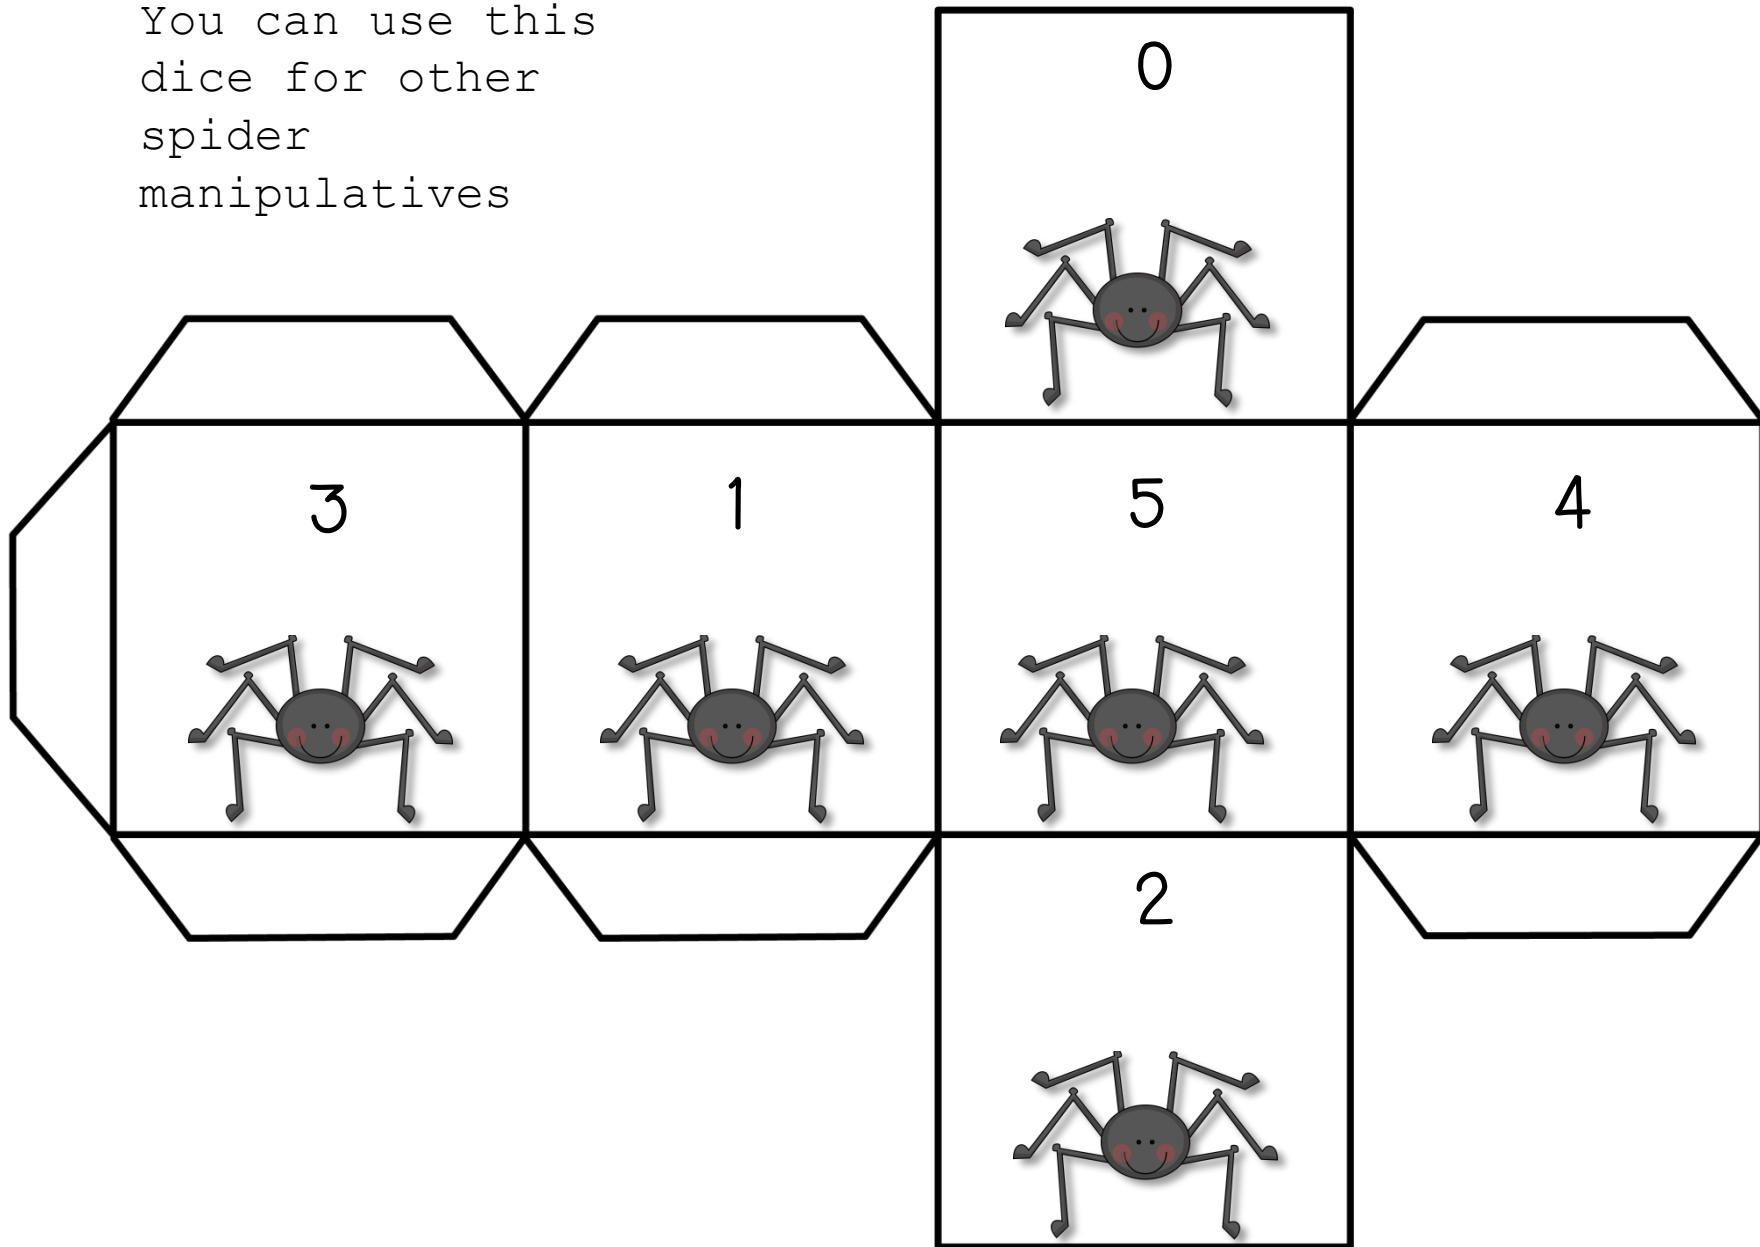

I will use this  
dice with the  
spider rings I  
got from Wal-  
Mart

You can use this  
dice for other  
spider  
manipulatives

Name: \_\_\_\_\_

Roll the cube and add your spiders.

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

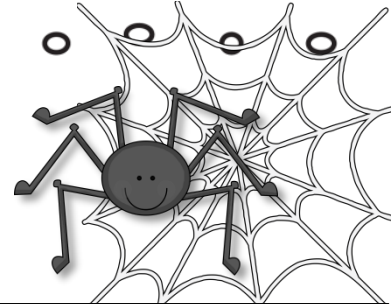

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

EEEEKKK!  
Spiders!

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders

\_\_\_\_ spiders + \_\_\_\_ spiders = \_\_\_\_ spiders
