A skill I used today was:

\_\_\_\_\_

I rate my success of this skill as:

A - Nailed it!

B - I did OK.

C - Oh dear...

I think this because:

\_\_\_\_\_  
\_\_\_\_\_

In order to improve this skill further, I will:

\_\_\_\_\_

Quick check for understanding:

 I completely understood everything!

 I understand most of it but I'd like more practice.

 I'm a little confused and I'd like some more help.

Write down what you'd like more help with or what you'd like to expand on in the future.

What was your "light bulb" moment this lesson, when you finally understood something new?

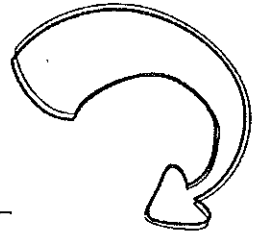

What is something you still have questions regarding, or would like to learn more about?
