## GOAL SHEET—STANDARD ONE-MINUTE TIMING

What is your goal? It's to meet or beat your best score ever, each time.

To find a fair starting place find the number of boxes you copied in the column below. To find what your goals are for timings circle that entire row. You'll circle your goal for how many problems correct to pass a 15 second, a 1 minute timing, and an annual goal (how fast you should be when you know all the facts) in a 2 minute timing.

Boxes copied	15 sec. timing	1 minute timing	2 min. annual goal
24 or less	Place into <i>Mastering Numerals</i> to improve writing

Write your STARTING goals here. Remember, whenever you beat your goal, cross it out and write down your new "record score" as your new goal!
