

TEACHER DIRECTIONS

Thank you so much for purchasing these **Growth Mindset Sticky Note Quotes** for your students! By doing so, you're setting yourself up to make a difference in each of their lives. A simple set of kind words can change a student's life! TRUE STORY: I became a teacher because my sophomore English teacher practically saved my life when she reached out and showed compassion towards my situation. She left a note (not a sticky note, but a hand-written note) on my desk that encouraged me to persevere. She helped me stay strong through a difficult time. My hope is that you'll help your students do the same!

- ❑ **STEP one:** Print multiple copies of page two (2)– the sticky note template. **This is the template you'll use for the sticky notes.
- ❑ **STEP two:** Place a sticky note on each of the squares (it says "place sticky note here").
- ❑ **STEP three:** Once you have the sticky notes attached, place the paper in the printer FACE UP with the sticky side facing forward. NOTE: Some printers require you to place it face down. You may want to do a test run first. The majority of printers will be face up.
- ❑ **STEP four:** Print pages 3-11 depending on which quotes you wish you use.
- ❑ **STEP five:** If you want to customize the sticky notes, use the editable version and type your own sayings into the text boxes on page 11. You'll need to download the following font for free:
 - ✓ [KG The Fighter](#)
- ❑ **STEP six:** Attach the sticky notes on student desks, work, or as they enter the classroom! Make a difference. 😊
